

MID-ATLANTIC COMBINED HEAT AND POWER APPLICATION CENTER

-- RESOURCE LIST --

The Mid-Atlantic CHP Application Center has prepared a database of local firms that provide CHP-related products which is being provided as a service for individuals who are looking for information on CHP. No formal evaluation of the companies or organizations identified in this database has been performed, therefore there is no endorsement, implied or otherwise, made by the identification of a company or organization in this database list. As is normal prior to entering into any contract or conducting significant business with any company or organization, it is recommended that a prudent investigation of that company or organization be made.

Company & Contact Information

Company Name: [Siemens Building Technologies](#)
Parent Company: [Siemens Corporation](#)
Website Address: www.us.sbt.siemens.com

Primary contact:

Name: [Paul Wenner, PE, CEM](#)
Title: [Business Development Manager](#)
Address: [6901 Muirkirk Meadows Drive](#)
Phone: [\(301\) 837-2589](#)
fax: [\(301\) 206-2141](#)
email: paul.wenner@siemens.com

Product / Services Provided

[Siemens offers a full set of on-site CHP/distributed generation solutions that make sense for a wide range of enterprise operations and market conditions.](#)

- [Greater control over energy prices.](#)
- [Increased reliability, quality of supply.](#)
- [Wide choice of advanced technologies.](#)
- [Comprehensive, custom-tailored programs.](#)
- [Expertise and financial resources.](#)

[From microturbine applications to large central plants to industrial/municipal waste-to-energy plants, our CHP solutions are designed to better meet the increasing business challenges of controlling energy prices while assuring the quality and reliability of electricity supply and enhancing environmental conditions.](#)

[Energy systems and other on-site and distributed generation technologies are available through our 100+ branch organization throughout the United States. Each Siemens branch office offers a customized solution that draws on our extensive resources of technical and applications expertise, supply-side and demand-side strategies, and technical and financial support services.](#)

CHP Products or Services:

X	CHP Project Developer
X	Energy Services Provider
X	Financial Services

X	Equipment
X	Packaged Gen-Sets / Complete Systems
X	Reciprocating Engines (> 1 MW)
X	Reciprocating Engines (< 1 MW)
X	Microturbines (< 100 kW)
X	Combustion Turbines (> 100 kW)
X	Steam Turbines
X	Heat Recovery Equipment
X	Controls & Electrical Interconnection Equipment
X	HVAC
	Other _____
X	Consulting Services
